We get information of the arrival of ships from S.C.O either verbally or through telephone message intimating the time of departure of the police launch with the boarding party usually from Takhtighat. We repeat this message to I.B. who also sends down one of their officers with us.

On the particular day (22.2.47) in question we got information of the arrival of two ships S.S. Takasang and S.S. Kwaisang, when there was a general search for C.P.s all over the city by S.B. & I.B. officers and as such no S.I.s of S.B. were available. A.S.I. Indub Ali Durrani was detailed to attend the ship S.S. Kwaisang. As regards the other ship S.S. Takasang it was arranged with I.B. to send one of their officers on board the aforesaid ship.

Your letter of the 14th instant. I received on my return to Calcutta. I was away from town. Yes Mr. Sarat Bose rushed to press with his suggestions to the INA. Conference. That was not only premature but worse than that. I am afraid you could always rely on him to spoil good things by impatient haste you cannot rescue him from his advisers.

I have given deep thought to your scheme which is not very far from the plan, I had in mind. However certain amendments are necessary which will require personal discussion. I am therefore eager to meet you and am willing to go to Lahore for the purpose as I told you. I am also eager to meet Mohan Singh, Sardul Singh Kaveeshar and others you would like me to meet. Bengal politics are in a hopeless mess - no leadership. we must plan wisely and act firmly. Awaiting your reply. hope you are well.

A short note on Bimalendu Ghosh s/o Bepin Behari of 38/2 Durga Charan Mitra Street, Calcutta (born in 1907.)

.....

After graduating from the Bengal Govt. Engineering College, Sibpur, Bimalendu Ghosh went to Rangoon in 1932 and worked there as a manager of Shalimar Tar Products Lt Company Ltd. and Shalimar Paint Co. till February '42. After the Japanese occupation of Burma he started a chemical and hardware business at Barr street early in September 1942. According to his own statement he was arrested by the Japanese in July 1943 on suspicion of transmitting messages to India and spreading anti-Japanese propaganda. He was kept under detention for 6 months at Cushing camp and was eventually released on the personal intervention of Subhas Chandra Bose, on signing a bond promising cooperation with the Nippon Army and the Indian National Army. At the suggestion of Subhas Chandra Bose, he offered his services and his entire property to the Indian Independence League. He went to Maymyo as a civil Engineer with a party of 150 members of the Azad Hind Dal. In September 1944 he returned to Rangoon and joined the I.I.L. For short periods, he acted as the Secretary of the Supply Board, Secretary of Vegetable Production and a member of the A.R.P. branch of the League. Early in May 1945 he joined the Allied Royal Engineers and joined the C.A.S(B) as Local Industries officer. He has been classified 'white' by the military.

Dearest Mums,

.....Cyril returned to us a couple of days back, and has plunged head-first into his job. He goes from 6 a.m. to 10 a.m., then back to the aerodrome by 11.30 and stays there till 6 p.m. and goes back to the Grand Hotel, which is the office, till 8 at night or so. He says they are short of staff and that things will 'ease off anon'. He finds things very slack, says he. I told him not to get the reputation of a slave-driver, or an old woman. But he has such a pleasant personality, that there is little danger of that.

Gopalpur.
25th March, 1947.

My dear Bardhan Saheb,

"Jai Hind", I can hardly express my overwhelming joy for receiving your sympathetic note of the 18th inst. I am so sorry for keeping myself silent so long. I should have written to you before you write to me. But I have been put up in such a critical position that I could not even make time to drop a letter to you.

The rumour which has spread out, has after all turned into fact. It is I who am solely responsible for this mishap. I too agree with your opinion that "what is happening is best for all". So I do never take it as failure but as blessing of God. You have requested me not to follow the policy of Mahatma Gandhi. I wonder how you think of it that a follower of "Subhash" will observe the policy of ~~Subhash~~-Gandhi?

At present I am suffering from stomach pains, and am undergoing treatment of a native physician that is a "Kaviraj". As the physician passes remarks that it will take at least a month to be completely cured of this pain. So I shall not be able to betake myself over these before 15th of April. The news of the camp being closed made me a bit anxious. Will you please let me know whether I shall be able to secure a job if I come over there within a fortnight, if not please instruct me what am I to do now. What do all of you do at present; or what have you decided to do in future? What about your proposed business? Do not forget to take me as a partner.

Do not be worried about your belongings which I brought along with me. All those will be handed over to you as soon as I reach there. Today I am remitting a sum of Rs 50/- to my beloved "mashi". I am very sorry, rather ashamed, that I could not keep my word of repaying his money in due time. Please tell him to write to me. As I have nothing more to write today I intend to close my petty letter with best love and wish to you all. Please convey my "Jai Hind" to Halder, Mazumder, Mashi and Chakravorty Sahbs. Hope you are in the best enjoyment of life and health. Awaiting an early reply. "Jai Hind".

Yours in love,

Letter contains similar information regarding Rego Jay Kumar, as in 346/FBI/47.

Rs: 50/- was lent to him to pay his bill at the Chinese Restaurant where they kept his Identity Card in lieu of the money, as related by R. Jay Kumar. He promised to return the money by a despatch rider when he returned to his camp. It now appears he has met with a plane accident and the address of Mrs: E.H. Stracey was found on him. R. Jay Kumar took the address also of R.A. Stracey, I.C.S. in Calcutta and said he would meet Cyril Stracey at the Aerodrome when he gets out of the plane at Calcutta.

My dear Gurudeb,

Received your letter in due time, but I am a bit late in response due to my delatory habits.

However I ~~am~~ also met the person suddenly one day whom you met, and in course of conversation I found life in him, which I never heard from his tongue. Whenever I thought of going to you, struggle arose between conscience and mind and after all mind having been defeated made me to stop going to you. That was the reason for not going to you. The Tram service will start soon and taking advantage of it I shall go one day and talk about him.

Yours obediently,

CONTENTS.

My dearest Mums,

Well Mums, another shift and another new address for you to remember! We shifted in here on the 1st May. We are perched up in the sky on the 4th floor of a mansion on busy Park Street, and are settling down to life here. Ralf has rented two more suites which he has furnished and hopes to keep paying guests, so that he can make a little money. Phyllis, he and the boys have been working hard on them and now they are really nice and ready for anyone to come in. With luck, they ought to get Rs: 700/- p.m. from a couple - board and lodging.

I am not happy with my job. I have had to work uphill all the time, with insufficient staff and difficult passengers to deal with. My bosses at the Head Office have neglected this station, with the result that the staff became disinterested and careless. I have written asking for them to accept my resignation. I heard they didn't want me to go, but I've written in a stiff report that I shall work on for a couple of months more only on condition they give me the staff I want and pay more attention to things than they have done hitherto. It is a pity of course, all this, especially as it is my first job in 'city street'.

I have applied for the Foreign Service. Let us see what happens! I have made up my mind about my future. It is to be either Government Service or I shall be on my own, on the land or in my own business. No more employment in Commercial concerns. One never knows what one is letting oneself in for, in such organizations.

Sd/- CYRIL.

Personal. Cyril, the writer is Cyril J. Stracey of the I.N.A. He has changed his address from 15 Ray Mansion, 10/4 Elgie Rd. to 77/B Park Street, 4th floor. So long as he has been working in the firm of Ministry Airways, but is disgusted of his job there. He has applied for Foreign Service. However, if interception may note this, it will be of help.

We are intercepting his correspondence at 9/4, Middle-ten Rd., The present address is also noted & included in the list sent to Govt. for interception.

and urged the creation of a strong agitation
against it. To divide India, they consider
is to play into the hands of British
imperialism. Resolutions were passed
(1) condemning the British policy of
dividing India's anti-national and helpful
to exploitation, (2) opining that the
presence of the third party fostered
communal troubles, (3) demanding the
immediate withdrawal of British troops
from India and the complete transfer
of power to the people, (4) urging the
people to form a socialist State with
adult franchise, joint electorates and
right of self-determination as its
fundamentals, and (5) strongly condemning the
Bengal Ministry for its reactionary
and anti-national policy and urging its
replacement by an all-party socialist
Government.

DEB NATH DAS, while tracing the history
of the British in this country observed
that the British wanted to keep the Indian
people into a state of subservience for all
time, but their attempts had been foiled
by personages like RAJA RAM MOHAN RAY
the Emperor Bahadur Shah, the Rani of Jhansi
and others down to GANDHI. The division of
India into so many hostile camps is their
latest political stunt to ~~xxx~~ maintain
their stronghold over India and this should
be resisted. NETAJI'S ideal of driving
away the British first should be adopted
by all. PROF. HIREN MUKHARJI (CPI)
observed that the clamour for partitioning
India originated from the false notion
that the British would quit by June, 1948.
Rather than quitting India the British
are seeking to entrench themselves
solidly in the Pakistan and Princesthan
areas.

22.5.47. (a) The question of maintaining the unity and integrity of the Indian National Army, which is described as a symbol of Indian nationalism and the greatest creation and achievement of "Netaji" SUBHAS CHANDRA BASU, is the ~~xxx~~ principal reason for SARAT CHANDRA BASU'S (ESP) opposition to the ever-growing Bengal partition movement. BASU is of the opinion that he cannot afford to split up the I.N.A. by identifying himself with the communal cry of partition of Bengal, even though his leadership among the Hindus of Bengal may be at stake. For similar reasons, it is reported, the members of the B.V. Group and Sri Sangha are supporting Sarat Chandra Basu in his anti-partition move.

At a Dewan (2000 including 500 women) held on 24.5.47 at the Park adjacent to the Jagat Sudhar Gurdwara with SARDARA SINGH and later with NIRANJAN SINGH TALIB as presidents, the death anniversary of GURU ARJOON DEV was observed and a reception accorded to MOHAN SINGH of the I.N.A. The *speakers praised MOHAN SINGH for his services for the emancipation of India and particularly for raising the I. N.A. NIRANJAN SINGH TALIB read out an address of welcome eulogising his patriotic services. GAJJAN SINGH presented him a purse of ₹; Rs.11,000/- and a command car. TRILOKE SINGH gave a large kirpan on behalf of Akali Dal, Bengal, KARNAIL SINGH offered Rs.500/- on behalf of the drivers and conductors and a gold necklace worth Rs.1,100/- on behalf of Stri Sat Sang and Sikh women. BALDEO SINGH GREWAL read out another address of welcome in which, inter alia, he stated that it was only due to MOHAN SINGH that the British had fixed a date to quit India. In reply MOHAN SINGH observed that India is not free today, because of Japan's treachery and refusal to help the I.N.A. at the end. Referring to the situation in the country he said that the British machinations are causing communal riots with a view to strengthening their hold on India. The British will not quit India by June 1948. He also remarked that the division of India will lead to constant disturbances, only to justify the existence of the British Military in India. He appealed to the Hindus and Sikhs to unite.

of the I.N.A.

INA Receipt

which A reception (500) was accorded to MOHAN SINGH by the citizens of Calcutta on 23.5.47 at the Calcutta University Institute Hall. MR. SUDHIR RAY CHAUDHURI (Mayor) who presided, regretted their inability to give a fitting reception due to the critical situation in the city. Law and order has become unknown and murder, arson and loot are the order of the day. Recalling MOHAN SINGH'S services to the I.N.A., he said that the I.N.A. had shown how Indians of all communities can fight shoulder to shoulder for freedom. MOHAN SINGH, replying, praised Bengal as the birthplace of Indian nationalism and of a patriot like "Netaji". He characterised MR. CHURCHILL as the greatest enemy of India. Referring to the recent statement of MR. ATTLEE he remarked that the British are again playing their old game of "divide and rule". He condemned the Muslim League for its reactionary activities. He supported the partition move and deplored the cry of MR. JINNAH that if Bengal and the Punjab are partitioned there will be civil war. He urged the people to fight Pakistan and to be prepared to pay the price of freedom. The President and ASHUTOSH LAHRI earlier garlanded MOHAN SINGH on behalf of the Calcutta Corporation Employees and the Bengal Provincial Hindi Mahasabha respectively.

Re. Checking of passengers on board the ship S.S. ETHIOPIA, which arrived in Calcutta on 27.5.47 from Rangoon.

As the under signed Officer of the S.S. and I.S. attended the ship at Outramghat to check the passengers who were in a hurry to disembark as soon as the landing stairs were placed. For this reason thorough checking of passengers was not possible.

There were altogether 1383 passengers - (1st class, 67 2nd class & the rest deck). The list of the Bengalis who were in Burma during the Japanese occupation is attached. No I.N.A or I.L. Bengali was traced on board.

Dear Basu Sahib,

Jai Hind - Hope you are doing well. Perhaps a note from me at this time will take you by surprise. Nevertheless I do take the liberty to pen you a few lines with the hope of hearing from you at your earliest. I may be coming by June middle.

Please convey my Jai Hind to all our friends and remember me to them. Here in the village, I have started an organisation known as

5-30 Pm to 7 Pm. Drill for those ~~boys~~ above mentioned boys while from 7.30 Pm to 10 Pm for adults. The last period is performed with Patromax lights on the ground. I am almost-exhausted. To satisfy them I have to undergo immense difficulties. yesterday there was band for the parade. Do not mistake this to be in B. Barua. All these are taking place in Bircampur. I want to create a new spirit among them before I leave.

Do you think all these should be notified to any organisation? If so please let me know. Please discuss the matter with some responsible source.

As regards fruits - yes I am enjoying mango + jack fruit. Why don't you come down please, & do try to come. Hope to hear from you soon.

We are fine and trust the same
